Product Information

Be sure to check inventory levels and tax status of each product being ordered via our online portal before entering items below. Orders containing unavailable product or insufficient quantities of product in the tax status listed on the order will be rejected.

For each item below, select whether you would like your product to ship from tax-paid (TX) or in-bond (BD) Co-op stock. If you are shipping both TX and BD product for an item, the item must be separated into two lines, one for TX and one for BD.
